PART 1 INTRODUCTION

- 1.1 The Independent Pricing and Regulatory Tribunal (IPART) has determined that Council's general income may be increased by the rate peg, which is 3.0% for the 2026/2027 year. The rate peg is only applicable to Ordinary Rates and does not apply to Annual Charges, with the exception of the Drainage Service Charge which is part of Council's general income.

PART 2 REVENUE POLICY (SEC 405)

Revenue Policy (Sec 405)

- 2.1 Section 405 of the Local Government Act 1993 requires a Statement of Council's Revenue Policy to be included in the Operational Plan. This document constitutes the Dubbo Regional Council Revenue Policy and is prepared in accordance with Section 405 of the Local Government Act 1993.
- 2.2 The Revenue Policy includes the following statements for the 2026/2027 year:
1. Rates Statement
 2. Annual Charges Statement
 3. Charges for Actual Use of Services Statement
 4. Fees and Charges Statement
 5. Statement of Proposed Borrowings
 6. GST Implications
 7. Interest on Overdue Rates & Charges

PART 3 RATES STATEMENT

The Local Government Act 1993

2026/2027 Rate Peg

- 3.1 IPART has determined that Council's general income may be increased by the rate peg which is 3.0% for the 2026/2027 year.

Ordinary Rates

- 3.2 Section 494 of the Local Government Act 1993 requires Council to make and levy ordinary rates for the year 2026/2027.
- 3.3 In accordance with the provisions of Section 514 of the Act, all parcels of rateable land in the Council's area have been declared to be within one or other of the following categories.
- Residential
 - Farmland
 - Mining
 - Business
- 3.4 Council utilises the provisions of Section 528 and 529 of the Local Government Act 1993 in determining sub-categories for one or more rating categories and in applying differential rating to the categories of Ordinary rates.

ANNUAL STATEMENT OF REVENUE POLICY

3.5 Dubbo Regional Council has determined the following categories/sub-categories of rates will apply in the 2026/2027 rating year.

- Residential Ordinary
- Residential Dubbo Urban
- Residential Firgrove
- Residential Richmond
- Residential Daisy Hill
- Residential Village
- Residential Geurie
- Residential Wellington
- Business Ordinary
- Business Central Business District
- Business Wellington
- Business East Dubbo
- Business Cobra Street
- Business Wellington Road
- Farmland Ordinary
- Mining Ordinary

3.6 In accordance with Section 406 of the Local Government Act 1993 maps defining the Ordinary Rate sub-categories are presented at the end of the Statement of Revenue Policy.

3.7 The determination of the category for each parcel of rateable land is in accordance with the definitions set out in Sections 515, 516, 517, 518 and 519 of the Act.

3.8 All parcels of land within the Council area have been categorised for rating purposes in accordance with the requirements of the Local Government Act 1993.

3.9 New parcels of land are categorised when supplementary land valuations are received, or new rate notices are issued. Strata lots and Company titles are taken to be separate parcels of land for the purposes of categorisation.

3.10 All figures are based on valuations on hand as at 7 March 2026. Council, in levying the 2026/2027 rates must take necessary steps to avoid exceeding the allowable notional yield for 2026/2027. The ad-valorem amounts contained within this document may be varied slightly prior to the Making of the Rates and Charges for 2026/2027, depending on the current land valuations at the adoption of the rates, to ensure Council does not exceed its allowable notional yield.

UC	=	Usage Charge	\$2.78/Kl
Minimum Quarterly Sewerage Charge – Non Residential			\$223.69

5.9 The total estimated yield from the above charges for 2026/2027 is \$5,499,669.00.

PART 6 FEES AND CHARGES STATEMENT (SECTION 405)

6.1 Council has resolved to apply fees and user charges in respect of its regulatory functions and the services it provides.

6.2 Section 608 (1) of the Act provides that Council may charge and recover an approved fee for any services it provides.

6.3 Section 608 (2) provides that the services for which an approved fee may be charged include the following services provided under the Act or any other Act or the regulations by the Council:

- supplying a service, product of commodity
- giving information

- providing a service in connection with the exercise of the council's regulatory functions – including receiving an application for approval, granting an approval, making an inspection and issuing a certificate
- allowing admission to any building or enclosure

6.4 Section 610D provides that a council, if it determines the amount of an approved fee for a service, must take into consideration the following factors:

- the cost to the Council of providing the service
- the price suggested for that service by any relevant industry body or in any schedule of charges published, from time to time, by the department.
- the importance of the service to the community
- any factors specified in the regulations

6.5 The actual fees and charges proposed to be applied by Council for 2026/2027 are detailed in the Revenue Policy document attached to the General Manager's budget report.

6.6 The document includes the details of each fee, charge or contribution, Council's pricing policy and a comment as to the purpose of the fee, charge or contribution.

PART 7 STATEMENT OF PROPOSED BORROWINGS (SECTION 405)

7.1 Council does not propose to secure long term external borrowings during 2026/2027 to fund major capital projects.

PART 8 GST IMPLICATIONS

- 8.1 The GST legislation (Division 38) provides that the supply of water, sewer, drainage and child care services are GST free.
- 8.2 In addition, Division 81 provides that certain fees and charges are excluded from GST.
- 8.3 All other goods and services provided by the Council are subject to GST and this is included in the amount of the fees and charges determined for 2026/2027.
- 8.4 The Revenue Policy document attached to the General Manager's budget report details the Base Amount of each fee and charge, the GST amount if applicable and the actual amount that will be applied for each fee or charge.

PART 9 INTEREST ON OVERDUE RATES AND CHARGES

- 9.1 Council will calculate interest on overdue rates and charges during 2026/2027 using the maximum charge as determined by the minister for Local Government in accordance with Section 566(3) of the Local Government Act 1993.
- 9.2 The Minister for Local Government has not announced the maximum rate of interest payable on overdue rates and charges for the period 1 July 2026 to 30 June 2027
