River Street West Stage 1 – Bunglegumbie Road Roundabout Construction

Dubbo Regional Council wishes to inform residents that River Street West Stage 1 Project has commenced with Council's contractor now scheduling the Bunglegumbie Road roundabout construction. These works will require restriction to public access starting from Monday, 20 January 2025 until approximately February 2026.

Council will endeavour to keep the road open to the public during the construction period, however, there will be times when temporary road closures are required for safety reasons. Council will provide advance notice of any such closures.

Residents are also advised that some noise and disturbances will occur during the works, but every effort will be made to minimise the impact. Please refer to the attached map for details of the location and impact of the works.

For further details on traffic impacts and to stay up to date with the project, you can either scan the QR code provided below or visit Council's 'Your Say' page at the link below. Click the '+ Follow' button at the top left of the project page to receive notifications and updates as the project progresses:

Council acknowledges the inconvenience these works may cause, especially to residents, and thanks the community for their continued understanding during these infrastructure improvement works.

If you have any further concerns, please contact Council's Project Engineer, Satish Bandela, during office hours on 0418 882 839.

Satish Bandela
Project Engineer
